PRODUCT RECOMMENDATIONS

Product for high quality labels for beverages, wine and Spirits. Specially developed for neck label applications and small diameter bottles.

Product for high quality labels for beverages, wine and Spirits. Specially developed for neck label applications and small diameter bottles. We recommend to leave an area unprinted and unvarnished in the zone where the label overlaps.

SHELF LIFE

1 year, under storage conditions as defined by FINAT section 2.5 (20-25°C, 40-50% RH). Prolonged storage at higher temperatures and/or humidity levels will shorten the shelf life of the product.
